

## 4.5 kW General Purpose ZERO Emissions Sustainable Solar Power Generator

Part Number: 123-SG-4

### Features Include:

- 10 Slide out solar panels with Hydraulic tilt
- Power Output 48vDC, 120/240vAC
- Cloud Monitoring Service
- Dual Axel with electric breaks and Heavy Duty Chassis
- Standby Diesel Generator inputs
- 8000 Watt AC output

### Features Include:

#### Solar

Solar Watts	4550
Solar Panel No.	10

#### Battery

Battery Ah	600
Battery kWh	28

#### Utility Grid Input

AC Voltage	120 or 240 vAC
------------	----------------

#### AC Output

AC Max Load (AMP)	37
AC Inverter Voltage	120/240 Split
AC Max Inverter Watts	8000
AC Inverter voltage	220
AC Max Watts (kW)	5000
AC Max Load (AMP)	22

#### Generator AC Input (aux)

Generator AC	120/240 Split
Remote start and Stop	Yes

#### Mechanical

Trailer L x W x H (ft)	12 x 7.3 x 7
Trailer Weight (lbs)	6550
Trailer Solar Surface Area (ft)	20 x 20

#### Remote Monitoring

Cellular Modem	Rural Band LTE Modem (cell card not included)
Cellular Monitoring	Customer Monitoring with customer paid Cell service
Cellular Monitoring by 123eSolar	Optional (subscription fee based)
